

COMPANY **PORTFOLIO** 2016

Health RX Scripts Pharmacy

We are an independent community pharmacy serving primarily the southeast region of Houston, TX. We provide services to the underserved population in the area. With over 40+ years of experience, we understand your needs and tailor our services to meet your specific situation.

We are your preferred neighborhood pharmacy.

Health Rx SCRIPTS PHARMACY

SAVE MONEY. LIVE HEALTHY.

HISTORY & CULTURE

With a dynamic and courteous staff of pharmacists with over 40+ years experience in the Houston, TX community, we strive to provide professional and reliable health services to our diverse clientele. We go to great lengths to understand your individual needs, closely monitor your health, maintain close ties with our patrons and foster healthy habits and clean living throughout our community.

Founded in 2014 by Joseph T. Lee, we pride ourselves in our sharp focus to understand and serve the needs of the less fortunate in our area. As a new minority-owned business, we aspire to learn and grow with the community and succeed in reversing the national

and local trend of poor living and lack of adequate services for the underserved in our area. We accept most insurance plans including Medicare, Medicaid, 340B and ADAP. We also accept most major credit cards and offer various payment options to better accommodate you.

VISION

Our dynamic and courteous staff strives to provide the best professional and reliable service.

We go to great lengths to understand your needs, closely monitor your health, maintain close ties with you and foster healthy habits and clean living.

MISSION

Come visit our pharmacy at our main location in Houston, TX, check us out, talk to our staff and see for yourself if we meet or exceed all of your expectations.

Our main goal is to provide you with the quality of service and attention that you deserve!

PROCESS; SERVICES _

EXPERT, RELIABLE AND DEPENDABLE SERVICES

Home Delivery

We offer free or subsidized home delivery of your prescriptions within a 10 mile radius of our location. For a nominal fee, we can ship your prescriptions to any location you request.

Proper Immunizations

We offer pharmacist-administered immunizations to reduce any adverse effects or reactions. We also provide the latest immunization information so you can stay informed.

Veterinary Prescriptions

With our vast knowledge of the pharmacology, dosing regimens, indications and adverse effects of veterinary procedures, we'll help and guide you in getting only the best for all your loving pets.

Non-Sterile Compounding

We are licensed to prepare the specific medication doses for your needs. We adhere to the strictest rules when making your customized dosages to insure purity and potency.

Therapy Management

We provide personal Medication Therapy Management (MTM), including medication reviews, pharmacotherapy consultations, health and wellness programs and much more.

Patient Counseling

As indicated in the OBRA Act of 1990, we are always ready to explain the purpose, proper administration, special direction, proper storage and refill instructions of any prescribed drug.

Healthy Nutritional Products

As one of the principles that we adhere by ourselves, we offer a diverse range of products to promote and enhance a healthy lifestyle in partnership with IDLife and Unicity.

We Grow With You

We are not too vain to grow and improve. If there is a particular service that you would like us to provide, please let us know and we'll do our best to serve you.

TALENTS; THE TEAM _

OUR BRAINS

PROFESSIONAL KNOWLEDGE

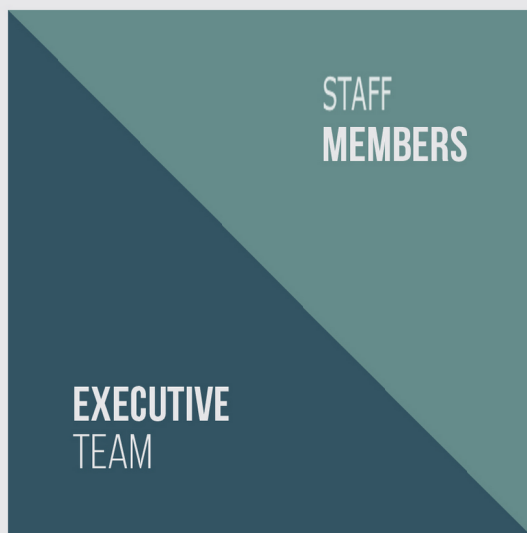

EXPERTISE

INTEGRITY

THOROUGHNESS & EFFICIENCY

Driven by a unique team of professionals from around the United States who possess years of international experience and global expertise and relationships in the pharmaceutical, educational, design, management, infrastructure and medical communities, Health RX Scripts Pharmacy is emerging as a solid and trusted provider of high quality services and a trusted regional player in the delivery of quality health and patient services.

Its founder, board members and pharmaceutical staff have been involved in the region's most prestigious and high profile academic and medical projects as well as pioneering new patient tracking at some of the country's top hospitals and pharmacies, earning them their names amongst decision makers and trailblazers alike.

BOARD MEMBERS

MR. JOSEPH T. LEE

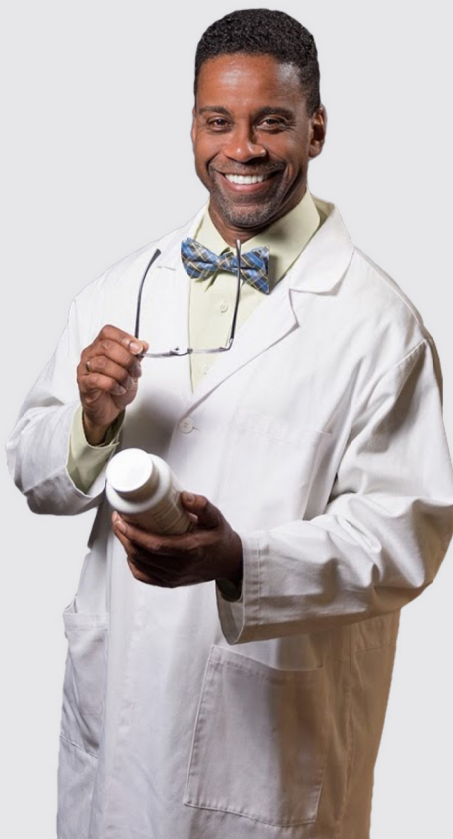

FOUNDER

PHARMACIST IN CHARGE

JOSEPH T. LEE is a graduate of Texas Southern University where he earned a Bachelor of Science degree in Pharmacy and serves as a Preceptor for Texas Southern University College of Pharmacy and Health Sciences. His 38+ years of pharmacy experience varies from Retail, Hospital, Adjunct Teaching, Mail Order and Managed Care. He provides clinically relevant information as is necessary and as it pertains to the translating, dispensing of prescription medications.

Mr. Lee's professional leadership began as a student when serving as a chapter leader within Texas Southern University's student Texas Pharmacy Association (TPA), Houston Pharmacy Association, SNPhA chapters and as the National Treasurer of SNPhA. He holds various certifications, APHA Immunization, CPR/AED, CMTM and American College of Apothecaries (ACA) Compound certifications in Aseptic Techniques, Contemporary Prescription, Women's Health and Pain Management. In addition to active membership of the pharmacy profession, Mr. Lee is a lifetime member of several organizations including National Pharmaceutical Association (NPhA) and currently serves as National Treasurer.

He is also a Texas Licensed Real Estate Broker, member of Texas Southern University National Alumni Association (TSUNAA), Kappa Psi Pharmaceutical Fraternity, Phi Beta Sigma Fraternity, Incorporated and National Brotherhood of Skiers (NBS). He enjoys traveling around the world, skiing, spending time with family and currently resides in Houston, Texas.
